26ᵗʰ Soar Workshop

May 22-26, 2006, Ann Arbor, MI

Introductory Soar Tutorial May 22 & 23

SOAR 2006

http://winter.eecs.umich.edu/workshop26

Soar Technology
Thinking *inside* the box.

Overview

Each year members of the Soar community--faculty, scientists, graduate students, technical staff and developers--gather together for several days of intensive interaction and exchange on Soar. The Soar community is widely distributed geographically. These workshops provide the opportunity for face-to-face conversations, hearing about the current status of other participants' research, and looking forward to what will happen in the future. We will try to give as many members of the community as possible the opportunity to describe their research or discuss the Soar issues that are of concern to them.

Registration Information

A registration fee of $100 per person is required (please make checks payable to "Soar 26 Workshop"). You will be provided with a copy of the proceedings and the following meals: dinner Tuesday and Thursday; continental breakfast, lunch, and assorted snacks and drinks Wednesday to Friday. To register, please fill out the form on the Soar Workshop 26 website:
   http://winter.eecs.umich.edu/workshop26/

Introductory Soar Tutorial

Date: May 22 & 23
Time: 9 am - 5 pm
Place: CSE Building, University of Michigan (for location, see map on Soar26 website)

No additional fee for tutorial.

Workshop/Tutorial Location, Schedule & Maps

The workshop will begin on Tuesday, May 23, 2006 at 6:30 pm with a dinner gathering, and will end by 3 pm on Friday May 26, 2006. The main sessions of the workshop will be held at the KIVA Conference Room, 3600 Green Court, Ann Arbor, approximately 1 mile from the north campus of The University of Michigan. Detailed maps are available on the Soar26 Website showing the locations of the Workshop and Tutorials, hotels, campuses of the U. of Michigan, and Ann Arbor relative to the airport.

Tuesday night, dinner at Pizza House, 618 Church St., Ann Arbor, at 6:30, will be sponsored by the University of Michigan Center for Cognitive Studies and Soar Technology, Inc., and Wednesday night there will be a conference dinner for all attendees. Attending the Tuesday and Wednesday night dinners is encouraged, and a great way to make or expand contacts in the Soar community.

Hotel Accommodations

Rooms can be reserved for attendees of the Soar Workshop at the following hotels, directly adjacent to the Workshop location, and a mile from the U of Michigan North Campus.
