

Soar Technology Community Liaison

Dave Ray
Soar Workshop
May 24, 2006

Role

- Primary developer/maintainer of Soar products at Soar Technology
 - Kernel
 - gSKI
 - etc
- Keep SoarTech informed of developments in the community
- Share SoarTech developments, bug fixes, etc with community
- Provide feedback to community on SoarTech usage of community tools

Near-term Tasks

- Integrate 8.6.2 kernel and gSKI into SoarTech tool-chain
- Integrate rewritten gSKI working memory (input/output) into 8.6.2 code base for 8.6.3 release
 - Significantly reduced code duplication
 - Easier to debug
 - Consistent reference counting
 - Eliminated several memory leaks
